# THE GRILL

PLEASE BE AWARE!

All our steaks are PRIME BRITISH BEEF.

Quality isn't cheap – but we think you're worth it!

**RUMP** – Very tasty and juicy, but from a heavily used muscle area so often not as tender as other cuts.  
8 oz - £ 9.95      12 oz - £12.95

**RIBEYE** – Very sweet and juicy, with a circle of tasty fat (the ribeye). Harder work, but worth the extra effort.  
10 oz - £12.95      16 oz - £17.95

**SIRLOIN** – A very distinctive taste, not as juicy as Rump or Ribeye, but always more consistently tender.  
8 oz - £12.95      12 oz - £15.95

**FILLET** – Cut from the tenderloin, a totally non weight bearing muscle, so, always soft, juicy and very tender.  
6 oz - £14.95      9 oz - £19.95

**T-BONE** – The best of both worlds. One side a tender Sirloin, the other a "Filet Mignon" as succulent as steak gets.  
16 oz - £18.95
